PROJECTORS / Manufacturers / Christie / Christie DHD700 / DHD700 Projection Calculator

Projection Calculator Pro

[Share this Page](#)

Will your projector fit the available space? What about your screen? What about seating and room lighting? To find out, use our *Projection Calculator Pro* by following these 2 easy steps:

1. * = not currently producing projectors
2. * = projector is discontinued

If you wish to find all projectors that can meet your requirements for screen size and throw distance, use [Find Projectors](#). If you prefer our previous Projection Calculator, it's available at [Projection Calculator Classic](#).

Caution: Numbers are based on manufacturer supplied information which may have changed or is inaccurate. Check with your supplier before making any final decisions.

Share your comments and suggestions with us on the [Projection Calculator Pro](#).
